

Greetings to all our patients

It has been almost one year since I last wrote to you.

It is with a great pleasure that I announce that the team was joined by Linda in April 2024. She is an experienced dental nurse working in the dental sector for an incredible 44 years. She has always loved the job and looking after patient welfare is what she loves the most about it.

It is time now, to announce, that Bobby Musukwa, one of our hygienists, has not been at the practice since early February due to ill-health. Erika, Sym and Madeline have supported since then on Tuesdays along with our other hygienist/ therapist, Laura, who predominantly works on Thursdays. Some appointments were moved to accommodate the changes; thank you for your understanding.

Bobby has now announced that he doesn't have a date of return as his second operation has not yet taken place. In the meantime, he will step down. I know that this will come as a disappointment to some of his patients, but you may see him in the future as a locum at the practice when he is fit and well. We all wish Bobby the very best and a fast recovery.

Sym will continue with her charity work this summer (Indo-Africa Charity Uganda Medical Camp) and she may continue to support us as a locum hygienist on her return.

We are now continuing with the servicing of equipment and preparing for the end of the year. The team will take it in turns to have a break this summer but the services will continue.

Please do continue to give as much notice as possible if you are not able to make your appointment so we can accommodate the treatment needs of others. Thank you to those who have always been very supportive.

Once again, I would like to take the opportunity to thank you for your continued support and wish you all good health and a relaxing summer.

Kind regards

Dr Niki Kitsiou and the Team
